

Introducing

Hispanic Chaplaincy Program

Clinical Pastoral Education (CPE)

Reach the underserved hispanic community with the first of its kind Clinical Pastoral Education (CPE) for Latino chaplains that serve in **hospices, homehealth, and hospitals.**

We are the only professional Chaplain organization in the USA to clinically train and certify Spanish-speaking healthcare Chaplains. We offer:

- > **Online Clinical Pastoral Education (CPE) for existing and aspiring Chaplains**
- > **National Board Certification credentialing**
- > **Continuing Education in both English and Spanish**

To Learn More Contact:

Chaplain Mark Allison, President, WSHO
801-870-0315 | wshopresident@gmail.com

The World Spiritual Health Organization (WSHO) is an independent, nationally licensed interfaith and interdisciplinary professional chaplain training and certification organization committed to the highest standards of Clinical Pastoral Education (CPE) and board certification for chaplains, pastoral care counselors, and spiritual mental health professionals.
