CE Information

We are utilizing Lecture Panda to track CE Certificates:

1. Attendees scan the QR code to access the system
2. Each session's code is announced at the end of the session
3. Enter the code to claim your CE
4. One thing worth adding: after you scan the QR code and register, you'll get an email from LecturePanda with a link to access the system. You only need to scan the QR code once, then use the email link for the rest of the conference.

Nurse CE Information

Please sign in upon arrival and out at the end of each day of the conference. Sign in sheet will be located at the registration desk. This is required to earn CE credits.
